

Custom Beach Flag

Feather flag banners are the perfect outdoor and indoor signage solution for drawing attention to your business, product, or promotion. The flag is made from 110D wrap knitting polyester material, which is weather resistant and extremely durable, making it perfect for using outdoors. The pole set is made from a combination of light weight aluminum and fiberglass poles for durability. We offer additional base options that will allow for the flag to be displayed on hard surfaces and indoors as well.
